They remove all the waste and poison from the system. They are the natural filters of the body, and just as sure as water is purer and clearer after it has passed through a filter, so is the human system purer, so is the blood richer and more rosy when the kidneys are properly performing their functions. You may feel as though you have no kidney or bladder trouble. It is best to be on the safe side. Find out whather your father or mother had kidney trouble, and if so be on your guard, for no disease follows from generation to generation like kidney disease.

When your kidneys are not doing their work, some of the symptoms which prove it to you are pain or duli ache in the back, plenty of ambition, but no strength, sediment in the urine after standing twenty-four hours scanty supply with scalding irritation in passing it, may be obliged to go often during the day and to get up many times during the night. Catarrh of the bladder, gravel, excess, of uric acid, you may feel as though you have heart trouble. Rheumatism, bloating, dark circles under the eyes, weak stomach, poor digestion are unmistakable evidence that your kidneys need immediate attention.

Swamp-Root is the wonderful discovery of Dr. Kilmer, the eminent kidney and bladder specialist, and it will be found in the dispensary of every well regulated hospital; it is taken and recommended by the foremost physicians in the land. Thousands of men and women occupying useful positions to day owe their very lives to the use of Swamp-Root, the great kidney remedy. In order that all our readers may know Swamp-Root for what it is, and participate in its great benders, svery intelligencer reader who will send their name and address to Dr. Kilmer & Co., Binghamton, N.
